TOTEM 611 Grey beacon lamp 2700K *by ROGER VANCELLS*
Ref. 75552

reddot winner 2023

TOTEM is an outdoor lighting collection designed by Roger Vancells. This decorative IP55 stake materialised in concrete offers an indirect and bidirectional light effect, providing high visual comfort. It is offered in two heights, enabling configurations to be created in the space, and is ideal for lighting circulation areas or for use as a path marker. TOTEM 611 has a 2700K warm colour temperature.
