

PRESS is a fun collection of wall lamps designed by Jordi Blasi. Round in shape, its structure manufactured in aluminium is also the switch that, as its names indicates, only needs to be lightly pressed. The light beam is projected through a fine structure designed as a reading or support light. Red finish.

General characteristics

Fixation	Wall
Type	II
IP	20
voltage	100V-240V
Hertz	50/60Hz
Switch type	Push
included battery	.
Upwards Vertical orientation	↻ 90
Horizontal orientation	↻ 350
Power	3W

Material

Body/Structure Aluminium

Finish

Body/Structure Shiny Red

Lighting characteristics

Light source included	Yes
Temperature	3000K
MacAdam Steps	3 SDCM
LM	180lm
CRI	>80
Light direction	Accent lighting
Energy classification	E

Reader

LED reader light source 3W, 3000K, 180lm

Driver

Requires Driver	Yes
Driver embedded	Yes
Maximum driver information	700mA CC
